NOTE FOR: Liaison Staff  
Legislation Staff

REF: See Attached

In addition to the letters to retiring Members of Congress, I think we should also send thank you letters to Members/staff who have done particular favors for us, such as in the legislation area. For example, Earl Eisenhower, who did much on getting Goldwater to make statements on the floor on our behalf on legislation. In drafting your letters, consider whether FPH, DDCI, or DCI should sign.
